“ Johnathon,

I didn't know you personally. I knew of you though. Never had i heard a bad word spoken about YOU. I knew you was a great guy . When my oldest Son Rickey G. got into some trouble you was right there helping to keep him safe and Fed until he was ready to turn himself in. I thank you and I will always be grateful for You. Praying for your family. You have gained your heavenly wings ☐ ✨ now. Fly high with Jesus!! Keep an Eye out on Both My Sons from up above. You will be missed and thought of daily.

“ Dear JJ!!!! I love you all the way from earth, way up to Heaven and back! Keep us all safe . Spread your wings over your family and shelter them in your comfort! Great memories you have left us all with. Your smirk that turns into a smile. The love in your eyes you share, the kindness in your heart. The laugh that you giggle 🤔❤️ You have always been such a great person to me. Doesn't matter the years that will come and go. You will always live on! From the sway in your walk, to the passion that grew in you for building and fixing things! You have placed your hand on so many hearts. We will miss you beyond what we can say and feel. Save a place for me please! I love you so much! I love your family! And I'm praying for them and you!!!

Miles away or years apart, a dear friend is always close in heart. I'll never forget you! And I'm so thankful for the times we shared!
