“ *My sweet Joni. She was / is my everything 🥹  
My diamond in the rough. Brought me joy. The Lord Jesus brought us together. I tried to make her happy and comfortable near the end. Joni loved her momma so much. And her sisters more than words. I will never forget you my sweet wife. Your eyes are like stars. You have such a big heart ❤️ you are my happiness 😊  
Your not in pain anymore. You finally with Jesus in peace forever.  
See you in paradise 🥹*

“ *The only person I have ever called my best friend. From the awkward way we met in 7th grade, through all the ups and downs of a teenagers lifes and well into adulthood and babies. You were full of life and questions at any given moment. You thought differently than most. And I loved that about you. I don't think you ever understood what you meant to those who loved you. I pray that now that you are in heaven you know the peace and love you have always wanted. I will miss you Joni. Thank you my friend for all the ways you were you when I needed you. "On the flip side gator" ... ❤️ ...Ash*
