“ *I will miss you girlfriend. You fought a hard long battle and never complained. You always would say you were not going to give up. You were a loving, caring and gracious lady who had a heart of gold. You were definitely one of God's angels here on this earth and I am going to miss you beyond measure. You said to me last week that you were ready to meet our Sweet Lord and all your pain and suffering will be gone. You will be deeply missed my girlfriend. Rest In Peace. I love you.*
