“ I’m so sorry for the loss of dear, sweet Cheryl. She was one of the first of the wives to welcome me to the 57th AHC reunions. I’m so glad Darrell and Cheryl took the time to visit us a couple summers ago.

*I have 2 other favorite memories of her. The first was in Houston TX. We got to rest on the boardwalk, enjoy the gulf and the sea air and just get to know each other. I could tell from that moment she was full of wisdom that only experience can bring.*

*The other fond memory I have is the painting class in Possum Kingdom TX. She and I had so much fun that day!*

*I didn’t get to see her more than a weekend every two years but I will always cherish that time and I will always call her my friend. I’m a better person having known her.*

*May the Lord help you find peace.*
