“ Beautiful lady with a beautiful smile; that is how I will remember Julie. She was kind and considerate and loved people. She loved her family, her church and her job. She loved working at the school and she made an impact in her years at Pickens High. Loved the children and cared for them! She made a difference in all the lives she touched. She will be missed.

“ I remember the time that we would meet up in the front office when I was in jrotc last semester, she was a really nice lady up at the front desk of our very own high school in pickens. As we found this very tragic, I would like to say that we love you. And best of luck from the pickens blue-flame team. -Conner Breazeale @Pickens high school

“ Julie was a jewel... with a heart of gold. Sweet, funny, witty, kind, compassionate... I'm so glad i was privileged to know her and call her my friend. I will miss her. God must have needed a special angel, so He called her home. To Gene, Matthew, Hannah, the grandchildren, and all the family I am praying for God to wrap His loving arms around you and bring comfort as only He can. Love you all!
