“ *How do I start?? Jr. was the best, best, brother ever!! He was positively a one and only!! Lol!! He always would make you laugh!! When did he ever not have a joke ready to be told as only he could tell it!! I love him to the depths of my heart and always will!! My Mom & Dad, Gary Bagwell (another hoot), Charlie Patterson, and many more are all being told Jr.s jokes, and are loving up on him. What a precious brother. Thank you God for Heaven, for Saving us, for loving us, and for my Big Brother. I will miss him beyond words. Pls remember to pray for Jerri Lynn, Maggie, Matt and Jr's beautiful, precious grandbabies. They are going to have sad and long days, BUT this is not what Jr. would want. Smile big, and feel so blessed you knew my most precious BROTHER!! I love him now and forever! Your best Sister!! Lol aka "Uncle Net" ❤️🙏❤️🙏❤️*

My dear friend, I will miss your smiling face and words you had for me when I lost David! When I would see you out somewhere you always gave me a hug told me to cheer up and smile because that what he would want me to do! I'm going to miss that more than you will ever know! Thanks for being a dear friend of comfort and joy when I needed encouragement! My prayers are with your family now and may God give them peace and comfort! They have tons of memories, joy and love that you gave. Cherish each and everyone of them as that will give you comfort at this sad time! Those words you told about David and to this day it gives me peace and joy! A gentle giant with a heart of gold he shared with all he knew! Thanks for being you and know you will be missed by all who knew you! Till we meet again in heaven thanks for being a friend! I know you and David are together and will watch out and love all of us left behind! 🙏🥹

Our Jun-Bug was quiet a character when he was little, but became quiet a sweet heart in his adult years. Will miss seeing him with his always warm welcomes.

Junior, Lewis, and Dennis were the trifecta of fun... Junior had to be a large man to carry that huge heart. You will be missed - it was an honor to have known you. Rest in peace my friend and I hope your family can find comfort in knowing how many people were blessed by your friendship and sense of humor.
