“ *Karen was a true friend. Loyal to the end. We were friends in high school and found out that we're related. We always had great times together. I can remember us cutting school one day and when we got back to my house my Mama said she needed to get home because her Mama had the Law out looking for her. My Mama knew we had cut but hers obviously didn't. I can remember when she had both of her beautiful babies. She fiercely loved being a Mom! She told me when she found out she was pregnant with Chris she felt she wasn't alone anymore. And then along came pretty little Amber and their family was complete. We were close into our 30's and I ended up moving away and we lost touch but reconnected online until she was no longer able. There are too many good times to list here but her memory will always live in my heart and the hearts of so many that loved this beautiful, smart, funny, sarcastic lady. So happy our paths crossed and that I can say she was my friend and cousin. Until we meet again my sweet friend.*

“ Our deepest condolences and prayers for the family. We loved Karen so much. I spent alot of time taking care of her, getting to know her more each day, and my love for her grew more everyday I spent time with her. She had a beautiful heart and will be dearly missed.

“ I moved away and we lost touch, but we were like sisters growing up on the mill hill. I have so many wonderful stories about us. When I think about the headaches we gave our parents with all of our shenanigans it always makes me laugh. Karen made such an impact on everyone that was lucky enough to ever meet her. I was one of the lucky ones to be able to call her my friend. Hug my dad for me and try not to drive him too crazy. He always loved you like his own. Don't drive him to crazy.

“ *I still can't quite wrap my head around the fact that she's gone. Karen was a force of nature and one of the most unforgettable people I've ever known. We hadn't been close in quite some time but,EVERY time I thought of her,it brought a laugh. Roger,Chris, and Amber,please know you're in my thoughts and prayers.*

“ I’m heartbroken. Karen was one of my best friends in high school, and one of my maids of honor. She was like a sister to me in so many ways. I loved her, all of her, including her ornery streak and natural sarcasm, but especially her BIG HEART! Karen had the biggest heart and cared about people. God broke the mold when he made that dynamo. No one will ever come close to the person she was. My heart is so sad.

Roger, Chris, and Amber - I’m so sorry for your tremendous loss. I have no words of comfort that will fill the void in your hearts. Just know that I’m praying for y’all and crying with you. If you should need anything at all, please let me know. Hugs.

“ I’m so sorry to hear of your mothers passing. She was always a great supporter of my shop. When Tyler bought his property he came over and introduced himself. He came home and they are nice people! Let us know if we can do anything for your family.
