Keith Wayne Robinson, age 72, loving husband of 20 years to Martha Erazo, passed away on Wednesday, July 16, 2025, at Baptist Easley Hospital.

Born on March 26, 1953, in Amsterdam, New York, Keith Robinson was the beloved son of the late Ernest Robinson and Dorothea VanVoast Robinson. Known for his sharp mind and endless curiosity, Keith was an intelligent and thoughtful man who found great joy in reading and learning. He had a deep love for knowledge and often spent time researching various topics on his computer, always eager to explore new ideas and understand the world more deeply.

Keith also found peace and pride in the simple pleasures of life — he enjoyed mowing the lawn and took great care in maintaining his yard, finding satisfaction in a well-kept outdoor space. A devoted NASCAR enthusiast, he rarely missed a race and followed the sport with passion and enthusiasm.

Later in life, Keith found his slice of paradise in the mountains. He loved living there, often sitting back to watch the sun set behind the ridges — a view he called “Heaven on Earth.”

Keith will be remembered for his inquisitive spirit, quiet strength, and the sincere care he showed for the things and people he loved.

Survivors include his wife, Martha Erazo of the home.

In addition to his parents, Mr. Robinson was predeceased by his brother, Lowell Robinson.

Mountain View Funeral Home is serving the Robinson family.
