“ Brandon, Casey & Wes. I'm so sorry for your loss. Kelly was a good guy, he would get you laughing so hard it would hurt. He will be greatly missed and I lift all of you up and ask our Lord to give some comfort and understanding during this difficult time.

“ Kelly was a lifelong friend. From our days playing backyard football together through attending high school, we had some good times. We both had a love for fast cars and he nearly deafened me on our rides to PHS in a Volkswagen with ten speakers in it:-). His quick wit and laugh will be missed. Praying for Wes and the family! Love y'all !

“ I would like to give my condolences to the Foreman family for their loss. During such times, we can receive comfort and hope by considering the words of John5:28- "...for the hour is coming in which all those in the memorial tombs will hear His voice and come out. "
