“ Daddy, there are so many wonderful things to say about you. You loved us so much and we know it. You lived your life with integrity and taught us to do the same. You enjoyed the little things in life and never needed material things to make you happy. Family was your priority. Thank you for your love, tenderness and loyalty. I can never express my love for you in words, but you knew how much I love you. I will see you again soon and I will think of you daily until then. I miss you and I love you so much!!
