“ I had a lot of good times working with Larry at the Fire Dept and working part time for him on our days off. He was a good friend sorry I'm not able to attend the service but I will always keep him and his family in my hear and prayers.

As we get older, I think we appreciate family more. Larry was my cousin, and I was glad to get to talk with him some at our cousins' dinners. Love to all of his family Frances Powell Faulkenbberry

I'm sorry that I was unable to be at Larry's service. Though I did not see him often, as a first cousin I hold him dear. Please know that the entire family is in my thoughts and prayers.
