“ To everyone of The Larry Hendricks family I would like to say I am beyond blessed because my sister and my daughter married into this family. And I will always remember Larry with a smile on his face standing tall and strong. I admired his resilience in staying in shape throughout his lifetime. And I saw his children and his grandchildren look up to him and love him including all those great grands too. Larry will be missed. Prayers for each of you in the days and months ahead because God will surely carry you during this season of life. Sheila Beasley
