“ *I am so sorry to hear about Laura Ann. I will always remember her kind laugh and voice whenever I would see her. Her cooking was pretty outstanding too. She could cook anything, but the sweet potato cobbler was delicious. None of us will ever forget the suppers up at the cabin and listening to the tales those Breazeales could tell. We will keep you in our thoughts and prayers.  
With love, Lucy and Bob Ward*

*Prayers for peace and comfort. Granny Ann was an awesome lady and I am truly blessed to have had her as my mother in law and grandmother to my daughter Holly. She was a strong woman who had worked hard her whole life taking care of her family and doing for others. Not long ago when Holly had her accident Granny Ann had cooked one of those awesome meals of hers to bring to Holly even though she was failing in health herself. She was well known for her cooking and when she would put out mule ear dried apple pies at a reunion people would be fighting to get in line for one. When I first came into her life at the age of 17 she welcomed me with open arms and treated me as her own. And when I gave birth to Holly at the age of 19 she was a source of major motherly support for this then young mother. I greatly admired and loved her. Sometimes a special woman comes into your life and makes a huge impact on your life. She was one of those women. ❤️ Rest in Peace Granny Ann.*
