“Lori was a special friend and a good Christian woman who loved her children very much. She so often volunteered in my classroom at Holly Springs Elementary and was willing to help out with anything needed. I still remember her sweet voice and her kindness. She is with our Lord and Savior and my condolences go out to her family. Rest in Peace dear friend.

“Laurie was a wonderful Mother . She helped me in my classroom when Kayla and Bruce were in first grade . She was also my prayer partner and believe me she knew how to pray . I know you will miss her. Unto then ... she is safe and loved in the arms of Jesus . You will see her again with her many many crowns 💜 Pam Jones

“ I have personally known this beautiful soul most of my life. We became friends in 6 grade. We grew up together. Just like all friends we would have our disagreements and we we're both stubborn at times lol but I admired this women immensely. As we grew to young adults my family and I would take her down south to visit our family members however unknown at the time she literally would become family ❤️ I remember the day when she first meant my cuz Derrell. We were visiting a relative when Derrell came down for a visit and when he walked through the door and meant Laurie lol I knew. They both were smitten ☐ the drive back home to Indiana was actually a love story that was developing right before my eyes. She told me how handsome he was and she was in love at first sight. She one day wanted a family with this wonderful man and before we knew it they were married. I watched as they took there vows and I knew it was a forever kind of love that no matter what life would throw at them it would last. That is rare in this world today. I remember when Bruce was born. She was so happy and then came Kayla ❤️ her family was complete. I said one day you will be a grandma and she did not know back then that she would be a fabulous grandma ❤️ family has always meant everything to her. She was very proud and her grandkids were very precious to her. They always will be. I did get to face time Laurie a few days before she left this world and with one glance we understood one another and started laughing. I'm blessed I got to see her smile again. I'm blessed not only she is my friend but she is and always will be family. I love you. ❤️ always and forever. (Rha)

“ This breaks my heart. I have so many great memories of the **WHOLE** smith family growing up in the holly spring community. She was always so kind and loving to everyone. She always played a large roll in our elementary school activities and always made a large positive impact. She left this world a little better than it was when she came into it.
