“ Today is the anniversary of my sister Judy and her husband LeeRoy. They have always been such a strong presence in our family and now that he is gone our family will never be the same. LeeRoy has been in my life most of my life, my first love was my Daddy and LeeRoy was my second. His love was always unconditional and I know that Judy misses him very much. One day soon we will see him again and he will be the strong and happy man that we know and love. Pam

I was so sorry to hear of the passing of Mr. Bentley. Your entire family has meant so much to the whole community. I throughly enjoyed teaching most of Lee Roy's children (3 of 4). I never knew more supportive parents than Judy and Lee Roy. It was evident to me that family was always a high priority. You both are wonderful examples of the Biblical teachings about being Godly parents.

“ *Mountain Grove community has lost one of its pillars. Lee Roy was someone you could always depend on. If you needed electrical, plumbing, roofing, or building he was the man to call. He spent many years in the logging business and enjoyed every minute he had in the woods. He was a honest man and made a living for his family who he dearly loved. We will miss him and the great laughs we had over the years. Our hearts are broken and please accept our condolences in his passing. Jimmy Lee and Helen*
