“ I loved her humor! Her smile and her giggle were contagious. I loved it when she shared her insights with me in the car coming home from Bible Study. Her insights to the scriptures were profound and though she rarely said a lot in our Bible Studies, it was always thought or praise provoking. She adored her family. She regaled me with stories of her family on our Tuesday evening trips home. She loved being a daughter, sister and of course, aunt! She has a forever impact on my life as she has many others.

“ *Larry Wayne O’Sullivan and I only met Leslie one time in our life. I talked with Leslie at the Family reunion in August. Looking back I feel like we were very fortunate to have known her with the amount of time we knew her. When you spoke to her you could feel and know where her heart was . She was a Christian and growing up in a Christian home you knew. Ed and Debra , our prayers are with you and your family. Knowing her was a privilege and I was looking forward to meeting her again. But now it will be in heaven. 🙏*
