

Linda McInroy Jeffery

September 20, 1947 - December 29, 2023

Linda McInroy Jeffery
Powdersville, South Carolina

Linda McInroy Jeffery of Powdersville, S.C., died peacefully Dec. 29 with her husband, Ralph, by her side.

Linda was a mother to Scott and Melinda and a doting grandmother to Gavin and Ilona.

Linda had an unshakable faith that she lived out by caring unconditionally for others.

She worked with Dr. Doug Cushing as he planted Tyger River Presbyterian Church in Moore, S.C.

The chair beside her desk was known as a place where people could come, share their pain and experience the love of Christ.

Linda loved to sew. She made blankets to welcome new babies into her extended family, made quilts for people who were close to her and made outfits for her granddaughter's American Girl dolls. She made flags for the color guard when her children were in the Eastside High School Band.

Linda was born in 1947 in Elmira, N.Y., the daughter of Carl and Jeanne McInroy. She married Ralph Jeffery in 1971.

Linda was close to her brother, Carl, throughout her life, and he and his wife, Lynn Togut, were with her in her final days. Scott and Regina Jeffery also showered her with love during this difficult time.

A celebration of life is planned at Tyger River Presbyterian Church at a date to be announced.
