Jessica, this Danielle's mom, you were such an amazing part of Danielle's care. You are the epitome of what a nurse should be, you made her hospital stays as pleasant as possible. She treasures the "talks" ya'll had. The Lord places people in our paths that help us through difficult times. Myself and the family would love to extend our sincere gratitude to you for taking amazing care of our girl.

“ *Danielle, I'll never forget you walking down the aisle beaming with joy on your beautiful, bright and sunny outdoor Wedding Day!! Justin waiting a top a field of flowers .. We all celebrated and danced into the night! Haylee was the Tiny Little Dancing Queen... Until she just collapsed in a flash on her bed. Dressed up and still in her Lacey dress and patent white shoes..A very special memory..💕💕💕 You leave a beautiful legacy and will be missed by so many! 🙏*
