“ My brother was 1 of a kind. The 1s who knew him will agree. But he was a special 1. Growing up he watched over me like a big/little brother should. I will miss him very much I know some of you are probably wondering did he make it right with God. I can answer that YES he did. As I sat and watch my brother take his last breath a vision came to me. It was so surreal. Goose bumps but a wonderful sight it was. My brother Lonnie was kneeling before God welcoming him in to HEAVEN. His 3 girls that went on before him(Angie, April and HaleyMae) was behind God with big Smiles on their face. So that being said I know I will see my brother again 1day. He will be standing behind God with my sister Ruby, and the rest of my siblings and Mom and Dad. Love you brother.
