“ Dear Linda and Family,
I was so very sad to hear about Lori. She was such a sweet and talented church friend. I will always remember walking up the church steps and admiring the beautiful wreaths on the doors she had created. What a blessing her life has been in so many ways. I pray God will give you abundant comfort in the days that lie ahead.

“ Linda, Lisa, Heather and Kelly,
My sweet friend! My heart is broken over the loss of Lori. I can only imagine yours. Lori wasn't just my co-worker, but a true friend who we together claimed were sisters by heart. With both of us living and being from the same Holly Springs Community we felt like family. My life has forever been changed for the better by having her in it. The love she has shown to me and my family over the years has been amazing. She insisted that my kids to call her aunt lulu and they did because they knew she loved them and they loved her. I know they will be able to tell many fond stories of Lori as they grow older. Lori loved people and cared for them so genuinely and fully and was always so giving to others. I know many days she pushed herself to work when she wasn't well, but seeing her do so and put herself through college was a inspiration to me. I'm forever grateful for the friendship we had and the wonderful memories that will live on in my heart. Lori, I love you! Your sister at heart- Rosanne

“ Lori was such a sweet and caring friend and co-worker. She worked closely with Student Nutrition Services for many years. She had a tough job trying to keep us straight. She always had a smile and was great to work with. We will miss her greatly. Prayers for all of her family, friends and co-workers.

“ My sweet sweet friend and co-worker! Lori was always doing something for others including my kids! Especially most recently to my son Chandler! She was so thoughtful and wanted to give him something special for his new job and journey! She gave him a compass that was engraved with scripture! I have no doubt her memory will live on in the stories he'll be able to tell with that!! I'll miss you friend! Just this once I'll say go Dawgs for you

“ I've had the pleasure to know and work with Lori the past 6 years. She was always so helpful. I'll never forget several times calling to ask her to “do me a favor” and Lori laughing and saying to me, “I didn't take you to raise.” She was a wonderful lady and will be truly missed. Prayers for their family!

Lori was a wonderful student at Hagood School. Sweet, reliable, helpful, hardworking and respectful are just few words to describe. In her professional life she was helpful to me as I negotiated details of retirement.

I truly am sad to learn of Lori's death. This precious student friend will be missed by so many.
