“ Words cannot describe the impact this crazy soul has had on my life. 10 years ago this year I was adopted into this amazing family. I'm blessed to have been considered a granddaughter, and friend to Grandmama Cindy. I'll miss every part of knowing you. I will continue to share stories of crazy summers spent together as a family; our adventures of being roommates; and our phone calls at all hours of the night just to make you laugh when we were apart. These great grandbabies will forever know that their “Boga” loves them, & your memory will continue on for many generations to come. Love you forever, & will continue to see you in the stars ✨

“ I shall miss our monthly (or more) phone calls. We would pick on old time things done & basically “yank each others chains”. So much fun.
