“ I have pleasant memories of Nurse Barksdale giving loving care to many people in my home church in Antigua, West Indies many years ago when she was part of a medical and dental mission trip from the First Baptist Church of Easley, SC. I was serving as assistant to Baptist missionary Shelby Smith. Many lives were touched in a very practical way. I am sorry to hear of her death but comforted in knowing that she is now with her Lord. May she continue to rest peacefully in His arms. May God's peace and comfort be real to her son Darron and other family members and friends.
