Mrs. Hayes was a lifetime member of Griffin Baptist Church. Not only did she love the Lord, but she also enjoyed sharing by showing that love to others. She loved to cook and left her table open to all who came. She was also known for her, "Hot Dog Chili". She enjoyed working in her garden and canning her own food. Her hands and feet were never idle.

Many of her years were spent raising her own children and grandchildren but she was also a child care giver for thirty-three children over the years. Her love, wisdom, wit and patience will be missed by many.

“ One of the things I remember about Aunt Mac was seeing all the fruits and vegetables she had grown and canned in glass jars. And I can remember her laughing a lot.

Thanks Heyward, Yvonne and Karen for taking such good care of her. My thoughts and prayers are with you.

Mrs Hayes was the sweetest person, I have fond memories of her, she always could make day with her comical ways. To the family, except my deepest sympathy! All of you took good care of her! Love to all the family!

“ One sweet lady, I have sweet memories of her, in my teenage years my sister Patsy and I was at her house with Karen every weekend, I recall we went skating every Saturday, but before we could go we had to clean the bathroom, back then I thought that was just terrible, but I look back and that wasn't so terrible after all, she would always keep you laughing when around her, she is going to be missed by myself and her family. She had a great family that loved and took good care of her until the end. In 1989 my husband and I bought a house 2 houses from her, which I still reside, so I felt right at home. She was one sweet lady, she always said what she meant and meant what she said, RIP Ms Hayes until I see you again, Juanita Elrod Reid
