“ So sorry for your loss. Such a sweet lady who always had a smile. She will be missed. My mother Kathleen Powell loved working with her at Sangamo and we used to all walk together during lunch breaks. Mom went to Heaven on March 23rd so I know they are walking those streets of gold together now.

“ Sending love to all of Sue's family! Some of my best memories are growing up and playing with my cousin Sue! We used to play together for days on end then we would have a spat to keep Aunt Ruth and Momma on their toes!!! We then hugged each other and played on together as cousins who love each other always do! There is no one I have ever known as sweet as Sue! The world is surely a better place because she was in it. I will keep you all in my prayers.

“ Family: It is with a sad heart to hear about Sue's passing. We grew up together as friends and went to school together. Last year we attended our 50th school reunion. We attended church and went to church socials and outings on a regular basis. As young people in Oolenoy and Pumpkintown community Sue, Diane, me and other friends were always together.

May the Lord comfort and bless each one of you.

Love and prayers!!!

“ She and I are about the same age. I remember her as a little girl. She grew up to be the same sweet and quiet girl I knew back then. I am sorry to lose her here, but I look ahead to seeing her again, and I'm sure it won't be long.
