“ To the family of Martha Jean Hudson (Paredes)

*I am very sad about the passing of martha she was a good person did things for others and help people when and if she could she loved her 2 granddaughters and her daughter very much she was a very good friend to me we would go out to eat , shopping , just for a drive , and she never like being alone she called me everyday if i was not with her and i know i only know her for about 7 (+) years she was a great friend but she can breath fresh air with no trouble she can see all the loved ones that went before and party and rejoice with them and just know she is in a much better place now and that she is not in anymore pain and she will be looking down on all of us and she may be gone now but she will never be forgotten i also know it hurts now but that will pass with each day that passes and you will know she is at peace.*

*Rest in peace Martha you will be badly missed here on earth but never 4 gotten so by 4 now but not 4 ever until we meet again

“ *Martha how much I miss you already. As another said, you do everything in your power to help me and many more people. You called me every day after we ran into each other at the Pickens Flea Market and renewed our friendship from school. Love you much. You cooked fantastic ally good and asked me to supper many times. Good memories. My funny favorite memories of you was when you would get me laughing every day in class, only the teacher called YOU out and I was the one about to fall out of my desk laughing. What a wonderful and giving person. I know that you are still getting heavenly rewards for all you did for the friends and the unfortunate alike. Those trips shopping, and you seemed to know where the good stuff was. I'll cherish my clothes and other stuff even more now that*
