“ *Papa Wayne, We loved Frances and will miss her dearly. The boys shared how they remember her playing with baby and when yall would keep them while dad was sick. They loved her and said they will miss her but rejoice in knowing we will all see her again. We will be praying for you and family. There will be times you cry, times you laugh and times you just don't know what to do, but know we are for you if you need us. We love you!*
