“ Mary was such a sweet and gentle soul, kind to everyone, even when they weren't kind to her, never uttering one bad thing towards anyone. She always had a smile on her face and a warm hug for her friends. We will miss her greatly but know she is where she longed to be, home, with her sweet mama and Lord and Savior, Jesus Christ. Rest in peace precious friend!

“ My wife Julie and I will miss our neighbor Mary so much. She never had anything but kind words to say when we would speak. We met her and her mother Francis in the late 90's when we built our home across the street from them. I would share many conversations with both of them over the years, usually as I took my daily trip to the mailbox and they would be either in the yard or getting their own mail. Mary, like her mother, was a wonderful neighbor. I pray the Lord will be with her entire family and provide them with strength during this time. We know we will see Mary again, because death is not the end.

“ The nicest thing about working at Cornell Dubilier was working with such nice and wonderful people as Mary Crenshaw. Mary was the type of person who would show up everyday with the same sweet personality every day and always greet everyone with a smile. When you asked how she was doing she would always respond with Just Fine,And How Are You. She is the type of person that will always be remembered for her polite mannerism.
