“ Mary became Mama to all of the ladies at Lunch Bunch. My cat would have attacked anyone if they petted him the way she did or with the same frequency. Willie always went to her chair during prayer time in my den after we finished lunch. She had a quick wit and kept us all in stitches. Her love for Jesus was as clear as the smile on her face. She gave Him all of the praise due Him. She would say how she was ready to go but enjoyed life until He called her home. Hearing her sing softly to herself as she waited for her plate at the table was a joy. I'd join her and it was the sweetest moment as we sang about Jesus. Precious memories of her walking around my home looking at my flowers and commenting on this one or how she used to have a bed of these as she deadheaded a few. Rheba would roll her eyes as Mama would say she'd like to have a start or cutting of this one or some seeds from that one. Thankful she is at home now and can't wait to see her again. I'm sure I'll find her in a beautiful flower garden still singing songs of praise.

“ *She was such a joyful lady. I loved being around her, she always had a smile. So thankful for the promises we have in Jesus. I know she is smiling now for sure :-)))*

“ *What a beautiful soul that Ms. Mary was. She always had a smile no matter what. I feel blessed to have the opportunity to know her and she is like family to me. Blessings to her and everyone that knew her at this time.*
