“ A quick wit, a quick laugh and a heart of gold. When I joined PPC in 03 out of college dad sent me to Ruth's right away because she was famous even then. That was 18 years ago! Boy we had fun, she loved having me in the store and gave me a hard time right away and we had a lot of laughs. Love her like family and still can't believe she's gone. I can't ever recall her missing a day of work. She loved the store and her regulars of which she amassed a multitude over the years. Her people were country people from Pumpkintown/Oconee area, the kinda family thats been around the upstate forever. She will be missed on Pleasantburg Dr. I will say that she loved all of us but Erik the most. Not everyone made the cut with Ruth and she took to Erik probably from the first day he took over as supervisor. Really a Greenville legend if ever there was one. One day Citgo did a little MDA event and they asked me to choose a store and of course I chose hers and we all went over there and took a bunch of pictures, one of which I attach. A hint of a smile, a laugh coming in that perfect mountain twang. RIP Mrs. Ruth we love you!

“ *Ruth was an excellent person to have in your day to day life. She was passionate about her family and her job. I'll always cherish the memories and laughs we had working together. She was like family to everyone she worked with, her customers, and myself. Corner Mart will definitely not be the same without Ruth.*

“ *Ruth went above and beyond not just for her customers but her employees as well. Especially me at a very challenging part of my life. I have often thought of her while I've been away and not just for job applications and references either. She showed me incredible kindness, more than any employer has. She was a great person to work for, and I know she will be missed by so many!*
