“ I have so many warm memories of Mattie I could share. For one, she was the best cook around! I know watching kids must have been tiring, but she took time and energy to whip up great dishes for us kids. We always looked forward to lunch and snack times! She was also selfless by letting us take over the TV. We watched our favorite cartoons and shows, and I don't remember her ever saying one complaint. I remember her friend Melda calling, and they would speak several times a week. I remember her sister, Aunt Pearl. She was a character! I remember her making us laugh a lot. I remember Papa and his pipes. I remember him working on 3rd shift and waking up mid-day. He was also very kind and never complained about us loud kids. A few times he drove my mom and I home because it had unexpectedly started snowing. My mom was too nervous to drive in it, so he kindly drove us home. I don't remember Mattie ever saying an unkind word whatsoever. She was truly a gem. I will keep my special memories of her in my heart forever.
