

## Maxine Woods Griffin

January 10, 1932 - July 31, 2024

On the morning of July 31, Maxine Woods Griffin passed away quietly in her sleep. At the time she was in the hospital, because more than three weeks earlier she had a fall and broke her hip and arm. So, she was in a safe and quiet place when time stopped, as she took her last breath.

My momma was born on January 10, 1932, the fourth daughter of Elsie Woods Woods, and Henry Macmillan “Mack” Woods. Her sisters were Frances, Doris, Gloria, and Fostine. Doris is now the only surviving sister and she turns 98 on August 15.

Memories of my momma is how caring and giving she was. She touched so many lives. She rarely sat down because she was always “doing” for others. Momma was constantly making and giving away beautiful handmade wreaths and craftwork. She was well known for her cooking and baking, with her latest being walnut cake.

Momma was born in Beaufort County and it’s where she spent most of her life. In 2003 she moved to Walhalla, SC to be closer to her youngest daughter and my sister Sarah.

Momma is survived by her sister Doris Woods Small, and her daughters Cassie Griffin Welsh, and Sarah Griffin Bowers (James), and numerous

nieces and nephews. Momma was predeceased by husband, Herbert "Bert" Hayes Griffin.

A special "Thank you" to hospice who made her last hours of life so peaceful. So much love, and so many memories.

“ We always loved when Maxine would come by the shop with Sarah. Sometimes it was a quick visit, and sometimes we would have time to chat. Maxine gave the best sage advice and had wonderful ideas. She told it like it was and whether you agreed with her or not, she was still your friend. I loved the chance to chat with her and will miss her walnut pound cake and her cookies. She was so thoughtful and always doing for others. God has you in his arms, Maxine, and that’s right where you wanted to be. Rest in peace.

“ Sarah, I will always be grateful to Maxine for being such a wonderful neighbor to my Mom, Rose Addis. And, when I visited my Mom, I got to taste some of the goodies that she shared with her. Prayers for peace for you and your family. The care you provided Maxine is evidence of the love and care she taught you.

“ I was so sad to hear Maxine had a fall & passed away. She sure was a tough one! I would always bump into her & Sarah at the grocery store. Maxine was the best pickle maker in the South! I know she will be missed! Love to All that loved Maxine. I send my deepest sympathy.
