“ I was so sorry to hear about your mom and grandmother's passing. I always enjoyed talking to her at the Senior Center. Phil and I were talking about her a couple of weeks ago. Brooke had given Phil and me a jar of her chow chow. We have never had any that came close to being as good as hers. I know y'all will miss her. I know she is in the arms of the Lord. I will keep your sweet family in my prayers. Love, Robin McCollum

“ *We will miss your smiling face and your dedication to family and friends. You were always there to help when we had accidents and sickness.*

We remember how hard you worked to put up the products that you and Lewis made in the garden.

We can say you harvested and processed all of that garden.

You loved flowers and shared with others with unique varieties.

What a blessing to have you as our friend and neighbor.

Sending our condolences to the family.
