“ I am sending condolences to Larry’s family. I didn’t realize he had passed. Larry was my Store Manager at the Walmart in Greenwood, SC. One of the most fair and empathetic Managers I had worked for as an Assistant Manager. I know he is missed.

“ I grew up with Larry's sons Brandon and Will. Larry and Susan's house was always the fun house to hang out at. Larry was always welcoming and never had a problem with us always being there. I will always have good memories of Larry from watching football, having bonfires, swimming and many more.

Susan, Brandon and Will,

We are all here for you!

“ To the family of Larry , i would like to extend my deepest condolences on his passing. He and my deceased wife Judy are probably running the store now in heaven. He was loved by many of those who worked for him at Walmart . He treated them with kindness and respect. I never knew until now that Larry was an Edisto fan as Judy and I were. Rest In Peace my friend, Rest In Peace.

“ He was the best manager I ever had, he treated everyone the same and treated us all like family! I have been with Walmart 30 years and have always worn Christian badges, had a customer to complain saying it offended them and Larry told them that they probably wore shirts that offended me, so for them to just not read them! Made feel so good for him to take up for me like that! He was always very nice and respectful!! Truly the Best!!
