Above St. Lukes

Huge snow.

Sledding down driveway with @Terry Smith And Mike Smith.

"Someone" going off course, running into a buried trash can...

Going in head first. Even the trash laughed.

The day you threw down your guitar in frustration because your dexterity had faded some from the 2ndary effects of polio.

I miss you brother....thankful I know you are in heaven with Mom and Dad...and EB and Loe...I know she was waiting with that folding lounge chair! "I'm ready...."
