GT

“ I just saw this death notice for Mike. It has been many years since I saw any of the Morgan family. My dad played in the band with Dever when we children were young. Please accept my condolences for your loss. I have many happy memories from those long ago days.

“ my Dad had a way of making people feel better about things, no matter what he was going through or you were going through. He would have you smiling and laughing in no time. He had a big heart and it impacted peoples lives in a good way. That was my Daddy. He will me missed. We love you Dad

*Penny,  
I think the world of your mama. I so hate this for all of you. I did get to hear his voice and laughter on the phone, although I never got to meet him in person. You all love and take care of one another and of course Sue. She is wonderful. Blessed are you all to have such amazing, loving parents! Michael was very loved and will be missed by many!*

“ I loved growing up so close with your family . Mike and Sue treated me like one of their own. Even when it came to picking out my own hickory switch...I loved him and still love you all. I wish that we had not grown so far apart.
