“ This is a very sad day; I just saw this. I'm sorry that I was not able to attend. Mike was a special guy. I'll never forget when the cows got out and we had to go up the power line looking for them. I got into a yellow jacket nest in a corn field, and Mike laughed so hard...said he saw a pair of pants flying up over the corn stalks and he couldn't believe I got them off over my boots. I remember Susan baked us lemon birthday cakes because we shared a birthdate. Mike was a wonderful person and I will always cherish my memories of him.

“ *Doug and zi send our sincere sympathy to all family and friends. Doug and Mike both loved to coon hunt and they got to renew the memories of those hunts several months ago at a chance breakfast meeting in Marietta. I enjoyed seeing the sparkle in their eyes and the smiles on their faces as they retold those great hunting memories.* ”
