“ *I'm just a friend, not family, but my heart is broken at the loss of Millie. She was an amazingly strong and loving woman. God's light shined so brightly through her life. Her loss will leave a big empty space in many lives. Our world's loss, is heaven's gain.*

I am praying for her family and friends.

“ Mike and I love Grandma Millie. We know her through Isham. The first time we came to visit, we stayed with Grandma Millie and we felt right at home. What a great cook too! We were blessed to tour the area and find out about her great heritage. I learned how to store my Tupperware too. Grandma Millie pulled out a plastic tub with all of her Tupperware and then put it back - no cupboard to mess with! I store a lot of things in plastic tubs now!
We will miss you but Jesus is happy to have you!
Thank you Isham for loving your grandmother so much. We learned to love her through you and your stories even before we met her!
Bless you all - we are praying for you!
