“ I am so sorry for the grief that everyone is feeling. However, I think about what Aunt Jane is experiencing in Heaven. I can only imagine how she was welcomed. All of the people that she loved and loved her that she has missed were waiting for her with great rejoicing. Image meeting God. So, I smile through my tears for her. She was one of the strongest people I have ever known. With all of her physical issues and the pain she felt, she kept going. I can still hear her say, "Now, Larry."
