“ Mere words will never be able to express just how much your mom means to me. I will always cherish the memories of the many afternoons and evenings at your house laughing with and being loved by your mom. Thank you for sharing her with me all these years.

“ Derek and Julie and families. My heart is heavy, I cannot find appropriate words to convey my sorrow for your loss. We only have one mother, therefore, it is a tremendous loss. Please be kind and always love each other. I love you both with all my heart. I am here for you and will be til the end. Aunt Else
