“ *Mrs. Hallock was one of the most wonderful neighbors you could have. She made a dress for me for my Home Economics class so I wouldn't fail. Gave us a sofa when we didn't have one. Painted my bedroom a lavender color while my family was on vacation. She let me sleep in her bed during the day, when I was home sick, while my Mom had to work. She was like a second Mom to me. I will never forget her, she will be forever in my heart. My condolences to the entire family. God Bless You All.* ”
