

Nancy Lee Newell

January 20, 1939 - May 9, 2026

Nancy Lee Newell
Easley, South Carolina

Our hearts break as we announce the passing of our loyal and dedicated aunt, Nancy Lee Newell. Her health betrayed her, and she passed in the comfort of her home with her niece holding her hand, in Easley, SC, on Saturday, May 9, 2026.

Born on January 20, 1939, in Schuylkill, PA, and moving to Connecticut as a young child, Nancy made her home in Waterbury. She retired from Winchester Electronics in Watertown, CT in 2002. While there, she served the entire west coast client base for 38 years. Following her family, she moved to South Carolina in 2016. Nancy was a second mother to her nieces and nephews, treating them as her own and showering them with love. She took a particular interest in her great-nephew Jose, and he became her right-hand man! She was an extremely caring soul and spent most of her adult life keeping an eye on her brother, Robert, and spoiling her one and only dog, Mojo. You could often find her at Stop and Shop or K-Mart looking for a good bargain! Her very last drive was to the store she loved for the blue light specials.

Nancy was preceded in death by her parents, Sarah Mae (Morris) and Alonzo Wiley Newell, her brother Robert Wesley Newell, Sr., her sweet dog Mojo, as

well as her calzone-loving "bonus" great-nephew, Critter.

She is survived by her niece, Lalena Marie (Newell) Jennings, nephews, Robert Wesley Newell (Iris) and Earvin "Pete" Junines Streeter Jr., and a bonus niece, Patricia (Beaudry) Elzy. She leaves multiple great nephews and nieces that were more like her own grandchildren, including Jose, Bryan, Robert, Aiden, Tianna, Janell, Jailyn, Junines, Candida, and ShayLynn, as well and many step, and bonus nieces and nephew. Family was everything to Aunt Nancy.

Her celebration of life will be a private event with family.

Mountain View Funeral Home is serving the Newell family.
