“ Nancy was my mothers dearest friend for over 60 years. She called my mother almost weekly after she moved down south. After my mom passed in 2012 we kept in touch with long phone calls. She was my second mom and I feel a great loss knowing I can't just pick up the phone and hear her always cheerful voice. She added joy to everyone she came in contact with and I will always have happy memories of her and my mom's last visit just before my mom passed. They hadn't seen each other in over 20 years, but it was if no time had passed. It meant the world to my mom that she made that journey to say her last good-bye. That's who she was.

“ We will miss seeing her smiling face here at The Willows of Easley. She was adored by everyone and such a pleasant, loving person. I will miss sitting and talking with her and listening to her laugh. Thank you for sharing her with us!

“ Sorry for your loss. You should have no regrets for the Lord gave her 92 years on this earth. I know it's tough losing "mama" but you will have good memories that you can glean from. May the Lord be with you and your family. Wayne Madden

“ My Aunt was a special and funny lady. I remember being an excited young 16 year old with a new driver's license in hand. I got permission to drive from Virginia to Ohio alone to spend a week with my Aunt Nancy and Uncle Doug. In those days we didn't have GPS and I was not known for having the best sense of direction. we had so much fun. I Will always remember that week! Aunt Nancy, I love you.
