“ Sending my heartfelt sympathy to the family of this sweet friend. She was so special to me. Although our friendship blossomed in an unlikely place, I felt we had been friends our entire lives. You never had to guess what Ms. Jo was thinking, she was always above board about matters that she cared about. I loved that about her. She will be greatly missed. Thank you to her family for the kindness you all showed me in a difficult time in my life. Know I will continue to pray for each of you as you adjust to life without your dear loved one. Judy
