“ When my dad died in 1998 Mrs. Opal called my mom and said send someone to my house, I want to feed your family. She had made a meal for I can't tell you how many people it would feed. But it was fried chicken, green beans, mashed potatoes, corn, rolls, dessert, the works. When I went to pick it up, she told me how much she and her husband thought of my father. She said that he made an impression on her son at a very early age. Apparently my dad went out of his way to talk to him every Sunday when he came to church, and she never forgot that. She gave me that meal with tears in her eyes telling me how sorry she was about my dad's passing. I will never forget that. What a beautiful, godly lady. I'm sorry to hear about her passing, but she left a legacy of a life well lived. I will be praying for God's peace and comfort to surround your family.
