“ Pat was one of the most selfless people I have known. She was instrumental in helping take care of my dad. Whenever Aunt Glenda or myself needed anything she would drop whatever she was doing and come running . I know she made the last days daddy was here very special to him and there was no way we could have done it without her. I will miss sitting on the porch with her and daddy the most.

Love you Pat

“ I am glad I got to see Pat Saturday. She was talking about her great granddaughter, showed me her picture, was very proud. Pat was a special lady who loved her family.
