“ I will always remember her laugh when she was well. Her whole body bounced. It pains me that we planned on coming up when she got home but time wasn't on our side. She is reunited with your daddy and may daddy. She's got 2 legs and she is probably running around Jesus now thanking him for bringing her home. I'm always here for you guys with anything you need that's within my power. We can never loose touch, it's our turn to step up and represent the PORTERS
