“ Tracy, Tony and Nick.... We're so thankful to have known such a beautiful lady in your mother, Pat. We'll always have the fondest memories of her. She always wore the sweetest smile on her face and had the most infectious laugh. She never had a bad thing to say about anyone and her heart was full of love. I know you all are so proud of her and will always miss her. Our thoughts and prayers are with you.... Sandy and Georgia 💕🙏

“ To Tracy, Tony and Nick, I am so sorry to hear of the passing of Pat. I have so many fun memories of she and Bill on our trips to Cherokee. I tried to call Pat a while back after Bill passed away but never got through on the phone. Horace and I used to enjoy so much our trips with them full of laughter, fun and frolic. I can't tell you how many times we were up and down that mountain, but we never lacked for fun. I just learned today that Pat had passed away on my way to get my car fixed in Anderson so I was not able to come to the service. Please know I will keep all your family in my prayers as you prepare to say goodbye to your Mother. She was a special lady as well as Bill was a special man and I will cherish all my memories of our times together. Blessings to each of you and your family. Love ya. Tina Barrett

“ I only have great memories with Aunt Pat. She was always so much fun and I loved to come over to her house and play in the creek with all of the dogs. She was a very special lady and my Nana (Wanda, her sister) loved her very much. Big hug to all of the family. Love,
Krista
