“ *Carolyn, John, George and Juanita,
There are just no words at a time like this, but I express my deepest condolence to each of you. God’s Grace will get you through each day. Patsy was my dearest friend for over 55 years. She was to me the sister I never had. I’m going to miss our Capri’s outings, texts and calls tremendously. But I have comfort today knowing that she is healed and that I will see her again, and what a day that will be! I love you all and you will be in prayers continually!*
