“ I always looked forward to you coming to Bradford and parking the motor home in the driveway. I learned a lot from the many conversations we had. You would always jump in and help or give suggestions on an easier or better way to do something. You will be missed Paul, but never forgotten. RIP,we love you!

“ *Paul was so kind and helpful. You were both so welcoming when we came to MI and were the best neighbors. We were so sad when you moved away and missed you both. We will always remember him waving and smiling when he drove by in his little yellow truck. ❤️*

“ There were so many large times that Paul’s laughter and kindness made the day extra special.... Like birthdays and helping my grandson fish in the pond and baking us a rutabaga pie for “cards night”.....but my favorite memories of this gentle and brilliant giant were the little things like when he saw us struggling to clean out gutters, or fix a broke shutter or start a petulant mower... and he’d just walk over and say..” let me look at that!. ”

Some people come into our lives and silently go... and others leave footprints on our heart and are never forgotten... Paul was one of the latter. Thank you for sharing him with us Fay! Love you! Myra!

“ Paul was a wonderful guy! He was one of my husband’s closest friends, and he felt like family to us. My family will continue to enjoy his special recipe for Cranberry Ice every Thanksgiving in his honor! He will always hold a special place in so many hearts, including mine. I know he and my Randy are up in heaven, having a grand old time!
