“ I had the privilege of meeting Peter at 5 Point church. And he truly was an extraordinary man. He is in no more pain and walking and jumping on those streets of gold. Until we meet again my friend.

“ Peter and I belonged to a small, exclusive club – that of victims of Parkinson’s disease. To Peter, Parkinson’s was a challenge he battled for 12 years with the breastplate of courage, perseverance, and faith. I admired Peter because he maintained a spirit of determination and optimism . . . and that, my friend, is no small feat when fate deals you such unfair hand. Peter faced his prodigious challenges with a sense of admirable humor and the willingness to fight toe – to – toe with the physically daunting obstacles strewn along his life’s road. In his way, Peter was a warrior and a hero. At Heaven’s Gate, Peter could truly claim, “I have fought the good fight, I have finished the race, I have kept the faith.”

“ Peter came to 5 Point Church a few years ago and was an inspiration to many. Despite his physical limitations he was faithful in his attendance at Worship services and at the Senior Adult Ministry meetings. He enjoyed being part of the older adults group and will be missed at Sunday services. We know Peter is at peace and in a healthy body and can walk with Jesus and do his push ups and be reunited with friends and family. He will be missed by friends at 5 Point Church. Condolences to his family.
